

10. 5. 97

My dear Dawson,

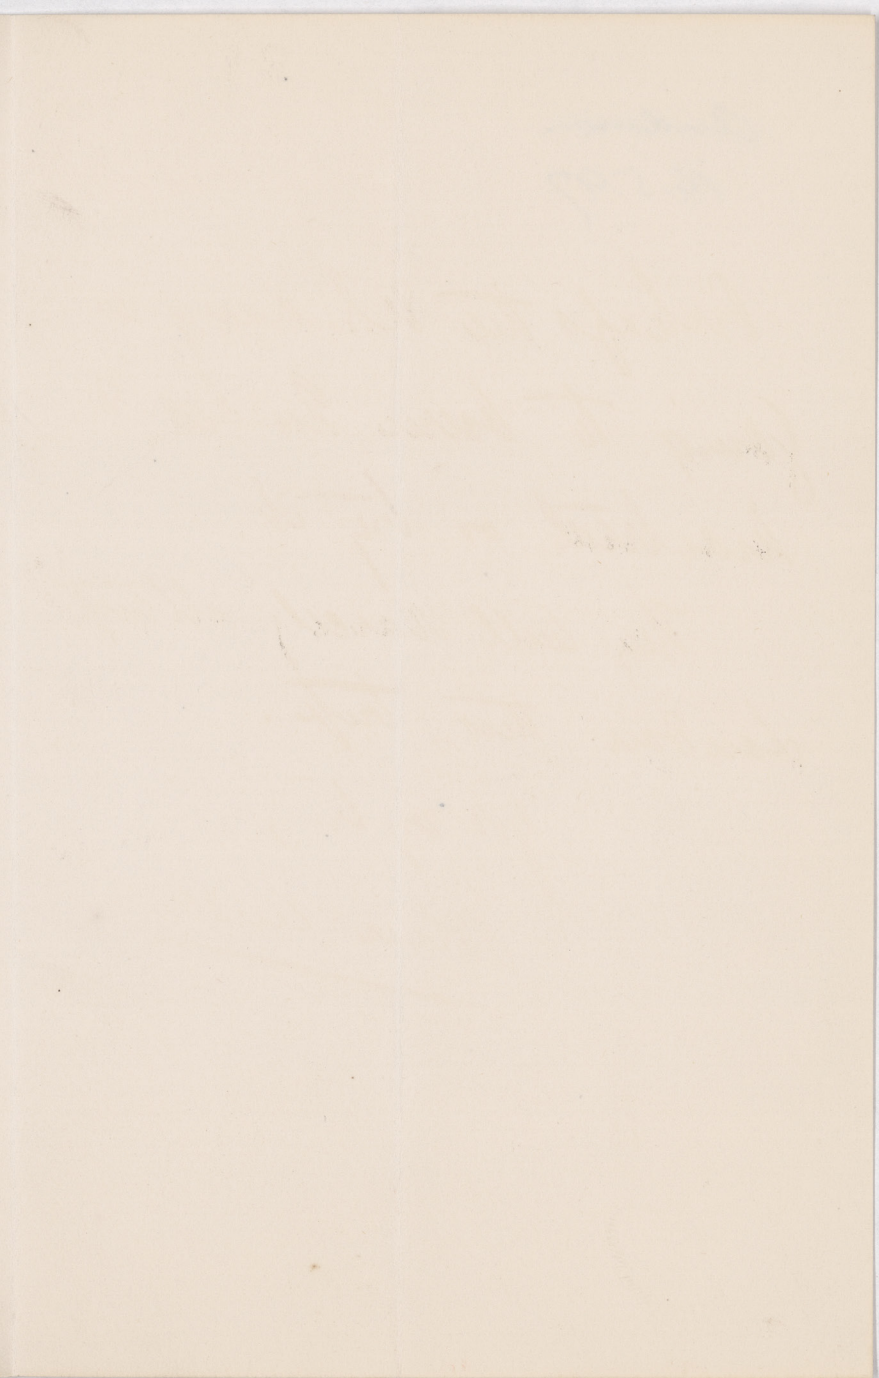

The enclosed
may interest you. We are
sending it to you Govt. officially.
I see by the press telegrams
that John W. Foster is starting
for the country - though
what he expects to do
it is difficult to guess.

Perhaps the U.S. Navy is
going to burn Quebec &
Montreal or try it.

They will scarcely attempt
London this time.

Yrs very truly

John Anderson

Auderson
