

Andover Mar 22

My dear Professor Adams

I have just read
with great sorrow the
report of the death of
Mr Dawson. It is a

loss we can not estimate.
That he should be taken
from the very midst of
so valuable work

I shall not forget him
as he was at Albany, so
simple and genial
and masterful.

I want you to know
that you all have
my deep sympathy

Very truly

BK Emerson
