Dear William,

We received the telegraph which you sent us yesterday evening. I am very sorry to hear what you said about my pigeons. I will save all the stamps of your letters but get some clean ones if you can. The rare ones are the ones of least value. I am much obliged for the stamp you sent me I do not know whether I have it or not, but I will look when I get home. Tell papa to look out for a pony and try and get one.

Do not you say any thing against it now; If you do! - There are plenty of nice little ponies here.

Yesterday I went to the ham-
bols to tea and the day before I had a teaparty here, and sat-
urday I went to hambols again so you see I have been out a good deal since you went away.
