

MCGILL UNIVERSITY ARCHIVES	
ACC. NO.	976 34
REF.	24

June 29, 1885.

Dear Parkes,

Your very interesting letter from Calcutta was received yesterday, and sent down to mamma at once. We suppose that you will be in London by the time this reaches, and hope you will see Warington there. We have address of your Steamship line, and ~~your~~ ^{his} car can be learned at the Canadian Agency. I do not think it unusual to any of

as to give him the Empire
Club address, and indeed
I have not got the precise
address, though I suppose
they have it at notes.

Lucy returned last
evening from Munich, well
and after a pleasant visit;
I am working on in hope
of getting five coils West
Munich; but this year
there is a great complication
of work pressing on me,
and by Mrs. Bakeridge
Hamilton & my other helpers
been ever more desired

And in Prigent there ³ is a book that

at Leipzig it is not to be found

now & is not to be found

now & is not to be found

in Prigent there is a book

on Prigent that is not to be found

now & is not to be found

now & is not to be found

now & is not to be found

now & is not to be found

now & is not to be found

4
The College, and to settle 63 weeks
Class-rooms, and the week-end
Building is being built in New York
& the Academy I am going to
I know's name, what are the
I am meeting with you at the
changes, hope you are well in
probably in some and in your
of your plans, see you meeting

I think I understand that the house has been built
I think that of a. I believe in a number of it, and
that I believe is at night with the weather,
