

July 27/86

Dear Aunt Sam,

Emma mentions

that you wish a testimonial.
This I would like
and if it is not exactly
what you want can
amend when I see
you in 2 days.

I thought you
had pretty much made
up your mind to do
without testimonials and
to make out for yourself,
which of course would

Please me; but I am
content either way,

I shall come up
to No 16 to soon as my
meeting is over, which
may be about six,
but I can wait for
you as my business
in town will be done

Truf yours
and with all love

Wm Dawkins

Thanks for your visit to
London who came out all
right

W.D.
