Dear Rankine

I enclose a

monthly report of C. P. R.

Received to-day. George

visited us for a few

days at Metis, and

came on here with

me, going up same

day to Ottawa.

The rest are still

at Metis, but expect

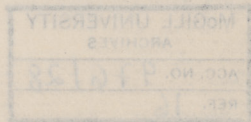

to come up in a

week or two. I have

received your paper

to come in & be met
this autumn,

There is a good
deal of excitement
here about a possible
visit of cholera. I
am planning what
I can for safety of
College and students.
If you hear of any
new precautions please
inform me. What is
thought of "Leys' Disin-
fectants" & how ad-

Best loved wife.

By the way I find
I have a pile of numbers
of the "Medical Journal"
I wish you would
discontinue this as
it must be a con-
siderable expense
for nothing.

With all love
Yours ever
