Ever since I got
back from the west I have

will be about \$20,000 for
part of the slices freeze up

Spring. If they do on at this

I hope they should be able to
 pay off the whole expenses of
 the present etc next summer. The
 shares, originally \$5 cannot
 now be purchased for \$35.

Yours very truly
 George,

 not to be subscribed, & there
 are besides no decent tickets of
