## 11. Sponsio Academica:

*The Dean.*

I, \_\_\_\_\_ having received the Degree of Doctor of Medicine and Master of Surgery, promise before Almighty God, the searcher of hearts, that I will perform the duties of my profession in a careful, moral, and upright manner; that I will diligently minister as much as in me lies to the comfort and restoration of the sick entrusted to my care; that I will not divulge, without grave reason, any thing which I have either seen or heard during my professional attendance, which it may be proper to conceal; and that I will ever seek to promote the standards of excellent and conscientious medical care.

So help me God.
