Dear Wilder,

Many thanks for the proof of your paper, which I have been through and sent into the printers for page proof. I will see that everything is correct in the second proof as I am afraid it would take too long to send it out to you.

You kindly promised to contribute to the expense of the illustrations, so I would be glad if you would send a cheque for £6 to Dr. Anthony Feiling, 52 Montagu Square, London, W. I. who is Secretary and Treasurer of the Committee.

It was nice to see you here and find you both so well.

With kind regards and best wishes for Christmas.

Yours ever,

Dr. Wilder Penfield,
