Dear Dr. White

You know of course how much sympathy we have for you in this painful and worrying illness - & really hope that by the time this reaches you some relief will have been found for the pain. I hope Mrs. White doesn't attribute it to all your enthusiastic goings on last summer over here, but it may be submarine disappointment showing itself in this abominable manner - Whatever it is I trust you will soon be your dear, gay self again and that the New Year will bring you renewed health.

With very best wishes for you both, believe me

Affectionately

Grace R. Osler

I hope you may be able to go to Mr. Wilson's wedding! Trés Sydole, !
