October 17, 1917.

Dr. Robert Ridgway,
U. S. Nat. Museum,
Washington, D. C.

Dear Sir:

I have been binding up my set of Illinois State Laboratory bulletins and I lack Bulletin No. 4 by you, the "Revised Catalog of the Birds Ascertained to Occur in Illinois."

If you happen to be able to spare a copy of this it would be much appreciated. Although I lived in Illinois many years, I was never able to secure a copy of this bulletin.

Very truly yours,

Chas C. Adams

H. Professor of Forest Zoology.
