offer to bring my Copy of the Hand list up to date.

I have never yet had the pleasure of meeting you, but hope to do so at some not distant date.

Believe me
Yours Sincerely

Dear Sir,

I am much obliged for your letter of the 8th inst. which I received on my return last night.

You have been so eminent over the suggestions that I ventured to make before that

I feel you will not object to one more; — in the next (of the Hand List) edition, would it not be possible to print the 'Type Species' of each genus in heavier type?

I have been working for some time past at a Book on the lines of your Hand List intending originally to compile it with English Names as well as Scientific — before I knew there was any such Book coming out — and will now, as you suggest, try to do it on the lines of Newtons Dictionary. I shall be coming to the South permanently in May, and will take advantage of your
