Dr. Casey A. Wood,-
Authors' Club,
2 Whitehall Court,
London, S.W. 1.

My dear Sir:-

It is with pleasure that I send you a file of our Bulletin as you request.

We remember your letter of about a year ago from McGill University and placed them on our mailing list sending copies at the time, so, unless they miscarried in the mails the University must have them in their files in their Library. Should they not have received the copies, we would be glad to send more.

The first number of Vol. 2 - July-August-September, 1922 is not yet out, but will be, we expect, in about a month. Shall we send to you in London, or shall you have returned to this Country or Montreal by that time?

Most sincerely yours,

George C. Atwell,
Secretary.
