UNIVERSITY OF NEBRASKA,

Department of Natural Sciences.

Lincoln, Neb. March 6th 1882

Earnest Ingersall Esq.

Dear Sir,

I have received by some ones favor, but by whom I am not yet advised a copy of your work on The Oyster-Industry. I have been profoundly interested in its examination & propose to study it in detail. I congratulate you on having prepared so interesting and so valuable a work. Wishing you continued success in your scientific work I remain

Cordially Yours

Samuel Aughey
