Dear Dr Casey Wood :-

I shall be very pleased to give you
what information I can about Fiji & St Sault
Seas, but I am afraid I am a very busy
man in the daytime - I never get off at 4. pm
as I am many hospitals in the absence of
my colleagues. Would you therefore be able to come
and dine with me? Would Tuesday
August 14th at 7.15 pm suit you

yours sincerely

Philip Manson-Bahr
