Bowdler Sharpe Collection

HARRY T. BEDDOWS,
CHIEF LIBRARIAN.

Free Public Library & Museum,

Shrewsbury,

29th October 1909.

Dear Sir,

I am having some correspondence with a friend of mine on the Swift and the point I should like you to decide "does this bird sleep on the wing". I have looked up some few authorities & nearly all of them say that it does not.

Apologizing for troubling you.

I remain

Yours faithfully

H.T.J. Beddows.
