Bowdler Sharpe Collection

HITEDALE,
HAMBLEDON,
HANTS.

July 6th 1909.

Dear Mr Sharpe.

I sent you about a fortnight ago through my agents Messrs Lawn and Alden a box containing two skins of male & female Lammergeyer respectively and an egg of the same

specics from Abyssinia.
As I said that the agents
are at liberty in remitting
in despatching things I
would be very glad to know
if you have yet received
them. I am
Yours truly
G. Blaine
