BLACKER

Sir John Soane's Museum,

13, Lincoln's Inn Fields.

15 May 1871

My dear Sir

With the greatest pleasure.

I presume Mr Poynter will

be very much pleased to have

a pupil who has already

made

health and strength but he

is looking well

I thank you for kind enquiries

and hope all your family

and Mrs Tylor are in the enjoy-

ment of perfect health

I remain My dear Sir

Yours truly

Joseph Bonomi

Bonomi

made progress and likes the work

I am much obliged to you for thinking of my boy but the question is should I consent, ~~he~~ in quality of father, to interfere with his school. I must enquire how it can be managed

Joseph Beale is an extraordinary man most active and enterprising I hope he will give the public a short account of his travels

Our friend Mr Sharpe has not quite equaled ~~his~~ his former
