Galapagos ~~Land~~ Iguana.
(Conolophus ~~subcristatus~~ subcristatus)

The Bloodsucker
~~Changeable Lizard~~
(Calotes versicolor) Indies.

Please put the American names to the above Lizards and state if the names are spelt correctly

— . —

I did not receive your first letter.
I have been away on a holiday for the past month, & your second letter was not forwarded on to me, so please excuse the delay.
The above are the correct names as used in America.

E.G. Boulenger
