Bowdler Sharpe Collection

August 23rd 1890.

Normanhall.
Dorking.

Dear Sir

I enclose a few skins of Indian wood peckers which were given to me 10 or 12 years ago by Mr A. O. Hume. I have no use for them but if any of them are worth placing among the duplicates of the Nat: History Museum, please add them to that collection.

I am. dear Sir.
yours faithfully
Frank W Bowdler
