My dear Sir

I am very much obliged to you for your kind note, and indeed it was a very great blow Mrs. the death of my poor Boy. Mr Norman has called and I am sorry I

have not got the bird you require, and fancy it must be in the ones Buston has. as I know you are fonds of finches I send you a pair of the long tailed grass finches, caught by Buston & my son, they are both the naked. as they have been fighting so much. and I think they are a pair. I have another pair and one cock. My son has been for a few previous in Queensland about Cooktown collecting, and I have a quantity of skins from there. he was born of 19 May 1862. and his name is Jule Thomas Henry Bowyer Bower.
