My dear Mr Tylor

I am exceedingly
obliged to you for your
most interesting paper
in this Quarterly. Travels
& is a subject full more
& unusual interest
to me having lately
obtained a fine cast
in this neighbourhood
not far from the
Elephant bed.
Mr Strange knows

Dear mother. There
is far as I know
are the only specimens
of the kind known as
they are of the Pliocene
time etc. I was
lecturing a few weeks
ago on the Ancient
Inhabitants of Mountain
& Myself & was glad to
exhibit my Cell with the
Mammalian Remains
which now form quite
an important
Collection
In haste
Yr ever loving
