Dear Dr. Sharpe,

I have been directed by the President of the British Ornithologists' Club to inform you that at the meeting on Oct: 19th a hearty vote of thanks to you for your long & invaluable services as Editor of the Club's Bulletin was proposed by Mr. Howard Saunders, seconded by the Hon. W. Rothschild & carried unanimously.

Sincere regret was expressed that you should have felt it necessary to resign the Editorship owing to your ill health & many references were made to the great lustre & the invaluable character of your services to the Club as its Editor.

Yours sincerely,

Harry F. Witherby.
