2 Life Guards
Windsor
March 23
1852

Dear Jones.

Only got your
letter yesterday.
The book you
mean must
be Grayson's
South Africa

Bears are there only partially mentioned (the best I know) I wrote an article on "Footsteps in the Snow" in the Field some 6 weeks or 2 months since You can get it at Field Office where the Gorillas are.

Yours ever
J Burbank

Frank Burbank
