S. DAVIES SHERBORN
DONAVIT.

Sept 27

1800-90

Dear Owen.

What time
would be the latest
at which you could set
out to walk tomorrow.
Could you delay as late as
four o'clock because if
you can, I should like to
join you; that is to say if
it be fine; if it be not fine
Yours ever
Dr. Smith would
take us in his
carrriage
