Dear Sir-

I have to convey to you my most grateful thanks for your kind letter of the 14th inst., in which you offer to present to the Museum Library the volumes of the "Ibis" for the current year (1925), and for the following year (1924). On behalf of the Museum I have much pleasure in accepting this gift, which I am confident will be service to us. Many years ago, we did subscribe to the "Ibis", but at a time of financial stringency the periodical was discontinued. Our set contains the volumes from 1885 to 1904, or 20 volumes altogether, Since then, I have been unable to get the magazine replaced on the list. I trust that your donation may have the effect of inducing the Institute to subscribe to it onse more.

With renewed thanks, I remain,

Yours faithfully,

T. F. Cheeseman

Curator.

Dear Mr Oliver—

The Auckland Institute is nominating eight candidates for election as Fellows of the New Zealand Institute, and your name has been selected as one of the eight. The regulations now in force for the election provide ~~for the~~ that the consent of every candidate must be obtained in writing. Might I therefore ask you to be good enough, at the earliest possible time, to send me a few lines giving your consent. This is necessary because the whole of the nominations must be delivered before June 15.

Yours truly
J. Cheeseman
