Colby College

Department of Biology
Webster Chester

Waterville, Maine Sept. 16 1917.

Dr. Casey A. Wood,
Chicago, Ill.

My dear Dr. Wood:-

Having just now returned from my vacation I have found the copy of your "The Tendus Acuti of Birds" waiting for me. I thank you very much for sending the same to me. It will help me in my presentation of comparative eye structures. It is a beautiful copy and I shall be very glad to look the work over more thoroughly soon.

yours very truly,

Webster Chester
