Dear Sherwood, more or less
serene in the hope that
if this does not reach
you in Fiji, it will follow
you home. I write to
acknowledge very cordially
your kindly sentiments in
respect of my approaching
"plunge". The little lady
in the case joins me
in thanks to yourself &
Mrs Wood for the welcome
felicitations.
Your stay in the Fijian
group appears to have
been quite interesting from

the ornithological standpoint.
I'm glad of it. A paragraph
from the Emu upon
this paper had something
to say on the point; then
there is your very readable
Parrot article in the
current "Emu".
Should like to chat to you
in respect of various bird-
matters, but time does
not permit; I am right
in against it" for the
next week or two.

With kindest Regards
to you both.

Yours truly,

A. H. Chisholm
