My dear Sir

Will you accompany
Steinhauer Mr to
Abbeville Amiens Leamy
by the Mail on Saturday
night, spending Sunday
at Abbeville & Monday
at Amiens from which
place (if Mr are to press
that Mr must be at
Somerset House on Tuesday
at usual time / Mr can /
return on Monday night

Yr Loveday

Or would suit you better
to meet us at Abbeville
on Tuesday morning &
be at Abbeville on Wednesday
Either way it is a very
hurried visit by you
Work is too far to go so
little & the expenditure
of time & trouble too great
as the a flash trip
Generally speaking I cannot
believe in reports & the
2 parties. Can we telegram

have an answer by the
morning which will reach
me before I start at 10
& write anytime tonight

Yours truly
W Christy
