Mr. Robert Ridgway,
R. R. No. 7,
Olney, Ill.,

Dear Mr. Ridgway:-

Thank you so much for your kind note of the 7th, and I am glad your wife's health is improving. No man ought to think of anything else when his wife is ill, and I like you for not doing so.

I would like two copies of the book at the price you mention, and will send check on receipt. It is an invaluable thing to have, and the price most reasonable. With best regards,

Yours very sincerely,

B. Preston Clark
