Dr. Casey Wood
7 West Madison
Chicago, Illinois

My dear Dr. Wood,—

It is with the
greatest pleasure
and appreciation that
I accept the proffered
volume of your
Fundus Oculi of Birds.

Owing to my
absence from the city
my appreciation seems
tardy.

Your lecture on this
subject has always
remained vividly
with me and I shall

prize the volume very highly.

With sincere appreciation of your thought for my pleasure

Very Truly
