Dear Doctor:

I am writing to express my sincere thanks & appreciation for the excellent work you have sent me in the 'Fundus Oculi of Birds'. I have never seen anything like it & it is a marked contribution in the field of Ornithology. It is with pleasure that I exhibit it to my many friends, & I am the proud possessor of the book. You could not have sent a copy to any one who would appreciate it more. It occupies a prominent place in my library. I should like to have studied with you & imbibed knowledge of Comparative anatomy & physiology.

Again expressing my sincere thanks, I am

Very fraternally,
Alfred Cookman.
