BLACKER

Bramshill
25 June 1886

Dear Sir,

I thank you very much for the valuable information you have given me relative to the fleet victualled, and also relative to the various stores here or adre should be found here.

I have selected to desire him

to shew you a piece of rock
which I found in a valley
here, and a recollection of
the fact of it being found
I hope that on some
future occasion I may
have the pleasure of seeing
you here.
With this I believe
me yours sincerely
William H. Hooper
