Dear Dr. Wood,

Thank you for your courteous letter of recent date. I shall be very glad if you find anything of interest in my little paper on the hemisphere of the humming bird.

In accordance with your request I am sending copies to the E.S.W. Library of Ornithology at McGill and to Mr. R.T. Moore, and hope that they may be of use sometime.

Trusting that you will have a pleasant voyage and enjoy your sojourn in England,

Yours sincerely,

E. Horne Craigie.
