KINGSTON, JAMAICA,

15th. March 1905

Dear Dr. Bowdler Sharpe,

I have received the Pay-master's warrant for £ 1.14.8, so I assume that my letter of the 6th of January has reached you - I trust that the birds reached you also & that they were in a condition to be of use to you.?

Believe me,

Dear Dr. Bowdler-Sharpe,

Yours very truly,

Frank Lundall

Secretary
