Bowdler Sharpe Collection

43 London Rd
Redhill
May 27. 1903.

Dear Dr. Sharpe

My wife is anxious to make some colour sketches of birds in the galleries of the Museum. Can she do this or cannot you give her authority to do so if such is necessary? I hope I am not troubling you by writing but I shall be very grateful if you will enlighten me on the matter.

With Kind Regards

Believe me

Yours faithfully

Frederick Curtis.
