BLACKER

Dear Sir. (Author's copy April 20)

Professor Dr. W. Dames
Berlin, W. Keithstrasse 18.

Berlin d. 27. II. 1887.

I shall be very glad, if you will send me copies of your eminent labours: Notes on the paläozoic bivalved Entomostraca from the Number XIV till XXI and also from the „Notes" in future. I must give analyses of them in the Neues Jahrbuch für Mineralogie etc. and it is very difficult for me, to get the Numbers of the Annals and Magazine etc. because these are nearly without interruption in the hands of our zoologists etc. – With the same post I send you a little paper on some crustacea of the Syrian upper-Cretaceous beds and I hope it will be of some interest for you.

Yours very truly
Professor Dames.
