June 30, 1917.

Dr. Casey A. Wood,

7 West Madison Street,

Chicago, Illinois.

Dear Dr. Wood;-

I want to thank you warmly for your courtesy and generosity in sending me a copy of your beautiful book on the " Fundus Oculi of Birds". Knowing something of the difficulty of securing good plates, I compliment you on the apparent great success of those in your book.

With kind regards,

Sincerely yours,

D/G

Chas B Davenport

August 26, 1910.

Mr. Robert Ridgway,

Smithsonian Institution,

Washington, D. C.

Dear Sir;-

The Concilium Bibliographicum has written me to send them a copy of your " Nomenclature of Color". If you can supply please send immediately to the Concilium Bibliographicum, Zurich, Switzerland which as member of the German Book Trade are entitled to the book discount. The bill may be sent to me at Cold Spring Harbor.

Yours truly,

Chas B Davenport
