Dr Bowdler Sharpe

Dear Sir,

I sent you some time ago from Cairns north Queensland 9 nests Jack & Newell some 3 boxes containing two bowers of the Yellow-Bower Bird. (Chlamydodera maculata).

I also sent at the same time some of the birds that all had the fever very bad.

I am, dear Dr Sharpe
Yours truly
Wm. S. Day.

by Parcel Post to you.
I have just returned from British New Guinea I was there six months and went away up the Clyde River (5 miles from German border) but I lost all my things when the blacks got our boat.
I had a very fine lot of things.
I shall return again to the Clyde River British New Guinea in the Spring about Feb.
Please address me until I write again to
