G. DAVIES SHERBORN
DONAVIT.

Westhampton
Havant
July 26. 1874

Dear Sir

I am obliged to you for the Poetry which you enclosed & which I return herewith as we intend but little to have more than we can help to be able to print.

I should be glad to see specimens of York; but I must get you to keep down the length of the Report & we must have it earlier than you look, or it delays us in an unexpected

Yours truly
Charlotte Dilke
