Dr. Casey A. Wood,
Stanford University,
California.

Dear Dr. Wood:

In Dr. Grinnell's absence I am replying to your recent letter. We are glad to know that you are to be located at Stanford for the coming semester, and are looking forward with pleasure to seeing you here in the Museum early in the new year.

Dr. Grinnell is at present engaged in field work in the Lassen section and probably will not return until about January 7. Registration begins the 9th of January, so that he will have to be back by that time and you will be able to see him then.

With kind regards,

Yours truly,

Joseph Dixon

Acting in Charge.
