Dear Sir:-

I rec'd the books in due time and intended to write immediately in acknowledgment but did not succeed - They are very interesting and instructive and I am right glad to have them. Mr Woods is truly a very skillful workman The remounting of the specimens is marvelous. Mr. Hays has returned to Bellefonte Pa. The illustrated articles on the Humming birds interests me very much - I did not know there were so many kinds I thank You for Your courtesy and the favor of the Books —

Very truly Yours -
Charles H. Eldon.
