Corr Sir

Dec 1853

G. DAVIES SHERBORN
DONAVIT.

Hatchford Cobham
Surrey.
Dec^r. 24. 1853.

Sir I have written to the
D. of Newcastle to explain
the difficulty I at present
labour under in naming
any time for my presence
in London from illness
of a very incarcerating
description. I have tried
the cold experiment of
endeavouring to induce him
to take a holiday here.
Should this fail, as I
fear it may, I will
give you the earliest

intimation in my power
of my ability to go to
London. I remain
Sir
Your faithful
Egerton Ellesmere
