Dear Dr. Ridgway:

We have carefully searched through our own and the main library of the University for Part 3 of your valuable work (Bulletin 50), and cannot find it. We shall be, therefore, very much obliged if you will keep us in mind in case you come across a copy somewhere, as we prize your work highly.

Your very truly,

UNIVERSITY OF TORONTO
FACULTY OF FORESTRY

R. Ridgway, Esq.,

Washington, D. C.

Dear Mr. Ridgway:

We have in our library (presented by myself) Parts I, II, IV and V of your "Birds of North and Middle North America." For some reason we are short Part III. Is it possible to secure this through your kind offices, or is there any way of securing it? You will greatly oblige me by letting me know, as we prize your work highly.

Yours very truly,

B. E. Fernow
