Sent set of Copepod papers 1. XII. '25.

DEPARTMENT OF COMMERCE

BUREAU OF FISHERIES

WASHINGTON

ADDRESS ALL COMMUNICATIONS TO
COMMISSIONER OF FISHERIES
WASHINGTON, D. C.

IN REPLY REFER TO FILE

Woods Hole, Mass.
November 25,1925.

Dr. Arthur Willey
McGill University
Montreal, Canada

My dear Dr. Willey,

I am at present working on the plankton of the Grand Banks and would appreciate it very much if you could spare me a copy of your paper on the copepods of the St. Lawrence published in the report of the Canadian Fisheries Expedition.

I am sending under separate cover my paper on the "Plankton of the Woods Hole Region".

Very sincerely yours,

Chas. J. Fish

Field Assistant
