# FLORIDA AUDUBON SOCIETY

FOR THE PROTECTION OF BIRDS

FOUNDED IN 1900 INCORPORATED IN 1902

Winter Park, Fla., March 10, 1922

Dr. Casey Wood,
Georgetown,
British Guiana.

Dear Dr. Wood:

I beg leave to acknowledge receipt of your favor of January 21, 1922, regarding missing numbers of the Fla Audubon Bulletin.

According to list you send there seems to be only two numbers missing at the library of the McGill University, and one of these we have just issued. I am sending these missing numbers to the University, and there will be no charge. I am also inclosing copy of the number just issued--March 1922.

For financial reasons we have not been able to issue the Bulletin regularly, as we had planned in the beginning. Prices of printing doubled in 1920 and our membership receipts fell off.

There were three issues in 1919, two in 1920, one in 1921 and thus far one in 1922. We probably shall issue one or two additional numbers this year.

As per your list of copies received by your library the number for July, 1920 must have failed to reach the University.

With best wishes and hoping to be able to serve you in any way we can, I remain

Sincerely yours,

W. Scott Way

W. Scott Way, Secretary.
