Dear Sharpe

I write to
tell you that I have
purchased the house
at West Croydon for 950
(freehold + detached) at
least my offer has been
accepted. The rent they
asked was 60. Of course

my collection

Yours faithfully
W. F. Foottit

R. Bowdler Sharpe Esq

the house is not so big
as yours, but it is large
enough for a Bachelor.
We shall get into our houses
about the same time,
but how different our
homes & lives will
be I hope each contented
with his lot. No doubt
we shall see more of
each other & I shall be
pleased to show you
