Bowdler Sharpe Collection

The Hill, Witley,
Surrey.

Friday Dec. 31

My dear Mr. Sharpe

I shall be in town on Monday and will call on you at the Museum. Could you without much trouble have the drawings of the Rook there, as I shall have a chance next week

of making the additions you
suggested viz. drawing of head
& places where scapulars
& mantle springs from.

In great haste

Yours very sincerely

William Foster.

R. Bowdler Sharpe Esq.
