Dr. A.W.Franklin,
The Osler Club,
27 Wimpole Street, W.1.

Dear Dr. Franklin :-

It is most kind of you to invite me to attend the next meeting of the Osler Club, an invitation which I would gladly accept for the 13th. November but on that date I shall probably be in Manchester on my way to America.

I came here from the Continent for a short time to see my book through the press and must now return to California where I shall, I think, settle permanently.

Please present my compliments to the Club and say to them that, should any member in the near future visit the Pacific Coast, my address there will be Stanford University Post Office, California, and it will give me great pleasure to show him about.

With all good wishes and kindest regards,

Very sincerely yours,

Casey A. Wood

P.S. Has the Osler Club a library ? If so I shall be glad to send you for it a few items. If not and you think of beginning to collect, say, Osleriana and materia medicana historica, I shall be much pleased to forward them from the above address or, later, from the U.S.A.
