5. April 1871.

My dear Mr. Gray,

I am much obliged to you for your letter.

I think it will suit all parties if you postpone your next visit to the Mint till after Easter, but I do not think I shall be here on

Friday or Saturday
week - so perhaps you
will arrange to come
say on the Monday
following - viz - the
17th ~

I will communicate
with Mr Poole as to the
Coins in Banks' Collection,
if I should find it
advisable to trouble
him further. Yours very truly
C. S. Remantto
